THE BULLDOG

1955

The Senior Class of 1955 was awarded Hollywood Premier tickets, for winning the football queen race.

It is now the year 1980, in Hollywood, California, 8:30 O'clock and the audience is beginning to arrive. Lets take a look around, and I'll tell our Radio Audience who's here, and give them a little of some of our guests backgrounds. It should prove to be interesting ladies and gentlemen, as we may get to listen in on some of our celebrities conversations.

Well this is a treat, Floyd Cottle is settled far over in the balcony in a satin cushioned box seat. Yes, that Ipana Smile you see shining through the darkness belongs to Liberace. You see Red is Liberace's "body" guard!

Another great celebrity tucked in the back of the theatre, is Jack Webb, he has launched out on his own, a radio career. The name --- "Hair Net" any resemblance to any other program is purely intentional.

Ah, yes, something rare, Billy Don Hamby (Gut), has a marvelous "Trained Flea Circus", and the starring performers are the "3-M's" (The names have been changed to protect the innocent.)

There's a girl wandering through the theatre, why it's the "Maw's Home Brew Maker" Anna Ruth Birch, wait - she seems to be muttering something, let's listen. "I'm not under the alcohol fluence of Inklehal like some thinkle peep I am."

Seems Anna Lois and Jean Kirby. pooled money and name to take over McLlellan's chain of stores. Wanda Pope is the store's traveling salesman!

Gary Lawhorn, was always so "close" to the police, he's now joined the force. We hear he's using the siren and spotlight only when it's very very necessary.

Little sentimental Peggy Ashley (Gains), goes from nursery to kitchen singing "Mammy's little baby loves shortening bread."

Barney Walker, has a "Stop and fill at your will" filling station, his assistants are Eugene Vannoy and the one and only Vigero, Thomas (Woman's man) Brown.

"The friendly Undertaker" - He had a big undertaking not long ago - He married a rich widow with six children. The happy couple is Wesley Bates and Marian Corley.

The great photographer J. "Brisconie" A-La Fore Dennman has at long last found the perfect model, Gail Giles. (No Marilyn Monroe calendars please!)

The Air Force is slowly but surely getting stocked by Mrs. Faye Klunk.

The Chewin'est Son of a Gun in the West "ol" Beach nut--Baumgardner (Marian).

Bobby Bell and Ethel Rackley, both liked Algebra so much that when they got married they named their children A-B-C--X-Y-Z!

Capt. Tubbs big dream was always to join the navy and ride the waves. He made it, haven't you Captain Eddie Van Lewis.

Howard Hill's head was always like a door knob, any pretty girl could turn it. Monte Fry did, "there in mothers arms is Eldore, their bouncing baby boy!"

Jess Burdett, started out owning only a saw-horse, now he has a racing farm.

Jack Fisher has a super energy pill farm. He grows many assortments of pills however he specializes in supersonic breakfast ray pills.

Kenneth Elder is also up with the times, his married life is so blissful, you see he's married to the famous dramatic actress, Wilma Cubley and they are devoted parents to their 3 lovely children. Poppa Kenneth is no tight wad. The children all have super jet space ships.

Mike, when he was in school, liked it sooo much, he was made principal of Daughterty school. Julian Williams has stayed all these years as Mike Williams' faithful friend and keeper.

Joe Stout and Donnie Owens, are joint partners in the "Donnie Deen Holstein Dairy."

Jerry Chaffin has made a successful business in the Chaffin Grocery Chain. His chain carries that all time great brew, Freezies Favorite.

Seems that Gordon Richards has grown up to be the sort of boy his mother didn't want him to run around with!

World famous psychiatrist Dr. Bill Spindle is still assuring parents Virginia Holland (Howeth) and husband, that they need not worry about their triplets lack of education for they are ready to go to school knowing a few letters of the alphabet. The letters are T. V.

"Hunt & Hick Tonkey Honk" is jointly owned by Milton and Carl. They seem to have gone half & half on everything, they take turns marrying the cashiers.

Cecile Widmeir likes her married life so much, she started a lonely hearts club, this is how Jerry Carter got acquainted with his wife, Sue Elkins. Jerry is a dentist in Mill Creek.

Anna Sekavec is still opening Teen Town every Tuesday night for the kids still around Sulphur.

Rex Mann has a used car lot. Nothing he owns has been used like his little 35 Chevrolet though. He's still driving it for sentimental reasons!

Bill Halpain is still working his heart out trying to gain the lovely hand of Marilyn

Harris, why he even goes to the extent of playing mighty domino games with her father.

Momi Tam Sing is a Hula dancer on Arthur Godfrey's show. She's taken Holly Loki's place as she is retiring, we all knew Momi would make it she always did sling a mean hip.

A Hank Williams handy man is here Ivory Ticklin Rae, that by the way is Glenna.

Ann Mountford was always a little difficult, well anyway she is the Worlds Champion swimmer, she's mastered the English Channel, and at our last report she was desperately fighting the swift surging waters of Sulphur Veterans lake.

Gaye is the prodigal daughter come home. She's now back in Sulphur, taking Mrs. Potes place in the faculty of dear old S. H. S.

Betty Ruth has a world famous Betty Little cooking school. This all came about after the pie selling during the 1954 football queen race.

(Foghorn) Vivian Cottle is announcing for the Chicago Bears, without a microphone!

Egor Parsons, (Bill) is so handsome and muscular, now that he is the worlds healthiest and happiest "Mr. America". His home is equipped with hundreds of mirrors, all floor length, wonder what they're all for, couldn't be he has the S.A. on himself could it--EGOR?

Glen Pierce is Chevrolet salesman in Sulphur (He has taken his father-in-law's job).

After his first political race of Boy Representative of the Senior Class, he went on to become Pres. of the Cattleman's Association, Yep that's Wayne Collins.

Globe Trotter Collins - The former Ernest Collins, who if you remember would get sooo excited while playing basketball he'd grab the basket off the backboard and throw it at the ball. Well he's overcome that. He jumps into the basket, says he wants to make sure he gets a point. His great manager Don Stevens, is the only one who can really look up to Ernie.

Lynda Peak, a leading society matron, is showing her jewelry to her neighbor, sayin it once belonged to a famous millionaire, "Woolworth".

Ah yes! It begins when you sink into his arms, and ends with your arms in the sink, that's Doris Halls reason for not being married.

Jack Hunt, a Texas oil man is sitting over in a corner, by his pretty Secy. Peggy Danyeur, sentimentally saying, "What is a home without a mother", Peg looks up with those big innocent brown eyes and says, "I am tonight, Jack!"

Raincoat Charlie, (Frank Herring) has a name for himself. He's sole owner of Gene's Cafe. His waitresses are Pat Brown, Tama Wiggins.

O. D. Owens, (in the old school days stood for Onery Devil Owens) now O. D. has come up in the world. It's "Oh Daddy" by his brood of nine.

Dorothy ma-ma McSpadden, has a darling baby boy. She sings him to sleep with Rockabye baby, In the tree top: Better not fall it's a heckova drop!

Carl Goodard is still in school, for his hill-billy kin, told the school authorities to fix him up with triggernometry, cause he's the worst shot in the whole family.

G. W. Chaffin, is a changed man! He always enjoyed his typing so much in High School that he is now teaching it in S. H. S., and you know, he hardly ever has escorts home anymore!!

Wayne Niblack, has invented a big Torpedo Boat, that digs through earth to China. He's a tremendous success. His partner is Bill Tom Lowrance, he built and designed the shed to put this miraculous machine and Nibbie in!

Paul Reub is Dreamy Dan the smiling man to his friends in the service. He is Admiral Reub now, and has a pretty blonde wife! (We won't mention her name).

Kay Hoffman is married, and she and her husband give dancing exhibitions to the patrons who come in Gene's.

Claudell Hill and husband own a huge Skating Rink in Texas. The Rocking Rink.

Mary Louise Stebbins (Cape), is now clothes designer for dogs! She got interested because of her dog, Taffy!

Wilma Cox and her husband are now commanding forces, in their own household, a battalion of 10 little Sadlers.

Karen Howe, is running the old Nebo store, and the fellas of S. H. S. have started a sit around the fire spit and whittle club.

Marilyn Green, is now Marilyn Bubbles. She's the United States bubblinest Bubble dancer.

Mr. J. B. Best is a full fledged professor at Harvard, equipped with new $3.98 horn rimmed specks.

Mr. Merritt is devoting his remaining years to the bugs of Sulphur. He and his wife camp in the back yard so they can keep close tab on his bugs!

The doll of the 55 Seniors was Iwana, it must have paid off, for she now has so many oil wells that they hardly know when and where to start counting!

Pauline Frost, now is half owner of Allens Drug, however she calls her half, Frosties Brew. We take it the kids still hang out there.

CLASS HISTORY

We are proud to say that we, the SENIORS of 1955, are the largest Senior graduating class in the last eight years. We have had the greatest representation in recreational activities than any of the other graduating classes.

On September of 1943 we all walked up to the Washington and Cameron Public School Buildings to begin our education.

Let me see now the first year at Washington there was O. D. Owens, Wilma Cox, Barney Walker, Dorthy McSpadden, Carl Hickman, Tom Brown, Marilyn Harris, Jack Webb, Anna Lois Kirby, Tama Wiggins, Bill Spindle, Marion Baumgardner, Anna Birch, and Gail Giles but we lost Gail to Oklahoma City the last half of the year. And do you know that the very first day of school Tom Brown got a whipping for throwing airplanes. Seems that one talent has lingered with the boys through the years. But oh, my, over at Cameron there was Ann Mountford, Jack Fisher, Jerry Chaffin, Pauline Frost, Eddie Van Lewis, Bill Lowrance, Bill Parsons, Bill Hamby, G. W. Chaffin, Joe Stout, Wanda Pope, Vivian Cottle, Cecil Ballinger, Marion Corley, Bill Halpain, Jerry Carter, Wesley Bates, Mary Louise Cape, Lynda Peak, Betty Little, Rex Mann, Kenneth Elder, and Gordon Richards for one week, then he went to Washington.

But by the second year Washington found Donnie Owens from Dougherty, Gail Giles from Oklahoma City, Wanda Pope from Cameron, and lost Glenn Pierce to Drake. Cameron found Peggy Danyeur from Palmer, Faye Hull from Durant, and Marilyn Green from Arizona, but we lost Vivian Cottle to New Mexico. That year Betty Little caused all the boys that rode her bus, to get a spanking because they all tried to kiss her. Shame on you boys!!!!

The third year Washington found Howard Hill from Oklahoma City and Bobby Joe Bell from Ada, but lost Jack Webb to Asher, Oklahoma. And Cameron lost Pauline Frost to California.

By the fourth year Anna Birch and Betty Little decided to leave us. So Anna Ruth went to California and Betty Ruth went over to Washington. Washington found Jack Webb but lost him again to New Mexico the last half of the year. Washington found Carl Godard from Wynnewood. Cameron found Mike Williams and Wanda Pope from Washington, J. B. Denman from Stillwater, Pauline Frost from California, Claudell Hill from Texas for 12 weeks then lost her to Washington, and Bill Lowrance the 2nd 6 weeks from Washington. Uh Hu! we know something on Gaye and Bill. She was the only girl invited to his birthday party in the fourth grade.

The fifth year Rex Mann and Donnie Owens decided to swap schools so Donnie was transferred to Cameron and Rex was transferred to Washington. That year Jack Webb decided to come back to Washington. Cameron found Glenn Pierce and Julian Williams from Drake, Betty Little, Wilma Cox and Bill Lowrance from Washington, Ethel Rackly from Palmer, Wayne Collins from Nowata, Vivian Cottle from New Mexico, Monte Fry from California, but we lost Wanda Pope and J. B. Denman to Washington, Jack Fisher to Nebraska. OH YES!! seems that a certain boy loved to look in the mirror and watch Gail Giles who sat across the room. How about that Jack????.?

And now in our final year of grade school Cameron acquired Jack Fisher from Nebraska, Peggy Gains from Ada, Wanda Pope from Washington, Earnie Collins from Hickory and Sue Elkins from Arizona, but we lost Pauline Frost to California, Wilma Cox, Monte Fry, J. B. Denman, and Lynda Peak to Washington. And Washington acquired Wilma Cubley from Atoka, and Eugene Vannoy from Oklahoma City. Monte Fry and Marilyn Harris were always fighting over Don • Bennett. Now look who has won!

Now we think we are wheels!! Our first year of Jr. High School. From grade school we brought one champ with us, Jack Webb. He had the winning hand at playing jacks with all the girls. Pauline Frost came from California. Ethel Rackley joined us from Cameron, Jess Burdett came from Idaho, Jean Kirby came from Nebo. Iwanna Hill came from Prague, Anna Birch came from California, and Floyd Cottle joined us. We were sorry to lose Marilyn Harris to Illinois, and Sue Elkins to Arizona. Also that year Lynda Peak was honored as being chosen Festival Queen.

In our eighth grade we found Karen Howe from Nebo and Milton Hunt from Roff. In the eighth grade Wilma Cox and Claudell Hill started thinking about the guys!!!

In the ninth grade we lost Vivian and Floyd to New Mexico and Carl Godard to Rocky, Okla. Karen Howe won the title of F. F. A. Rodeo Queen of 1951.

We had a riot in the tenth grade when Wayne Niblack and Doris Hall joined us from Oklahoma City, Virginia Holland from Muskogee, the 2nd Sem., Don Stevens from Healdton and Pat Brown from Stonewall. But we lost G. W. Chaffin to Lindsay. Marilyn Green went to Monte Cassino at Tulsa but she came back the 2nd Sem.

But then we were Juniors and everyone was looking at us with envy! We got Vivian and Floyd back from New Mexico, Sue Elkins back from Arizona, G. W. Chaffin back from Lindsay, Momi Tam Sing from Hawaii, and Glenna Rea from Healdton. We were lucky to have Lynda Peak chosen Letterman's Sweetheart, and Gaye Montgomery won the Band Queen Contest. We didn't lose anybody but in the summer G. W. Chaffin left for California. Our class became famous for their Junior Holiday's. Everyone loved to go swimming that time of the year.

Our SENIOR year and we now had to be an example for the lower classmen. This year we were fortunate in gaining Kay Hoffman from Tulsa, Marilyn Harris and Gary Lawhorn from Illinois, Beverly Hannahs from Ohio, and the 3rd 6 weeks G. W. Chaffin from California.

Seems like cupid has shot a few arrows. For we lost Iwana Hill and found Iwana Steele, we lost Faye Hull and found Faye Klunk, we lost Peggy Gains and found Peggy Ashley, we lost Cecil Ballinger and found Cecil Weidiemer. And Mary Louise Cape became Mary Louise Stebbins.

By toil and scrapping our pockets Virginia Holland won the title of Football Queen of 1954. Since that was the first time for our class to win we were very proud Seniors. Doris Hall was nominated Letterman's Sweetheart.

Our graduating Senior boys will leave a vacancy in the 1955 football team. For there are 10 graduating football boys, 6 basketball boys, 5 track bovs, 9 baseball boys, 8 F. F. A. boys, 11 F. H. A. boys and 20 F. H. A. girls, 11 4-H boys, 4 4-H girls, 30 C. H. S. students, 8 N. H. S. students, 11 Band members, 15 in Girls Glee Club, 12 in Boys Chorus, 27 in Mixed Chorus, 6 Air Scouts, 6 Pep Club Girls, 7 in N. F. L. 8 in Presidents Club, 14 Thespians.

Of course we could not have accomplished all this without the drive of our class and our wonderful sponsors. We wish to thank you, the sponsors, through-out all these years for your co-operation. We 80 graduating Seniors are proud to have as our sponsors this year, Mr. J. B. Best and Mr. Buford Merritt.
